Weekly Diet Suggestions

Adam is slightly below his targets for Iron and Vitamin D this week. Try adding iron-rich foods like spinach, lentils, or fortified cereals to his snack menu.

Connect a School Nurse

Enter the email of your child's school nurse. Bite by Bite will only allow the connection if that email belongs to a verified School Nurse account.

SCHOOL NURSE'S EMAIL

The nurse must already have a verified Bite by Bite professional account. You are requesting access for this professional — you are not creating or assigning their professional role.

Send Connection Request

[← Back to Care Team](#)

Connect a Pediatrician

Enter your child's pediatrician's email. Bite by Bite will only allow the connection if that email belongs to a verified Pediatrician account.

PEDIATRICIAN'S EMAIL

The pediatrician must already have a verified Bite by Bite professional account. You are requesting a professional connection — you are not assigning their clinical role.
